

*Dizzy* Mallone

Italian Workwear Co.

Since '86

**Certificate**

**2014**

**Dizzy Mallone**

declares that

**Philips Technologie GmbH**

saved 172.190 liters of water

by dyeing their workwear in our environmentally textile dyeing mill. The water used during this process was saved, biologically recycled and re-used for new dyeing processes. This in a closed circuit, with no pollution of water, air or land.
